See MAP on other side for locations of murals.

Logistically we are unable to see ALL the murals on the tours. We encourage you to explore them on your own. There's always new art popping up in our creative town. The Alley Art Amazin' program updated this list of murals and some details in 9/2023. We strive to include all murals and artwork located in the alleys of Old Town Lafayette. As volunteers, we do our best with the time we have, but may have missed something. Reach out to us if you know of any paintings or other art we missed, so we can add them to our future maps & publications at: www.AlleyArtAmazin.com. Thanks, the Alley Art Amazin' crew.

Good News! Alley Art Amazin' Scholarships for Youth Artists

Alley Art Amazin' began offering scholarships in Boulder County middle and high schools in 2020 to encourage and teach young artists who wish to become muralists. The six teens chosen in 2020 (#79-84) and the five teens chosen in 2021 (#38-42) designed and painted their own murals with assistance from artist Sarah Spencer and other adult supervisors.
